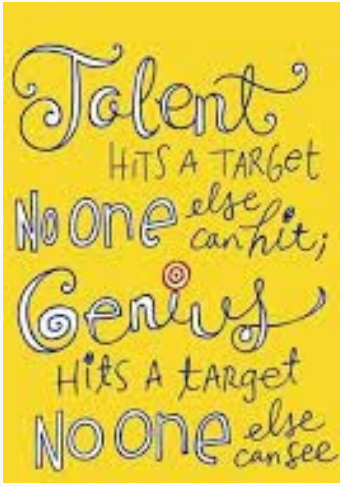
Project Expo-The Idea Explorer
20 December,2021



The department of Computer Science and Engineering organized Project Expo-The Idea Explorer for the 2nd Year students on 20th December,2021. It provided a platform for the students to showcase their talents and celebrate their success. A total of 12 teams participated and exhibited their novel ideas through presentation and project demo in various emerging streams of computer science like Internet of Things, Cyber Security, Artificial Intelligence, Big Data, Robotics etc.

Convener
Dr.K.Raja
Prof.&HoD,CSE

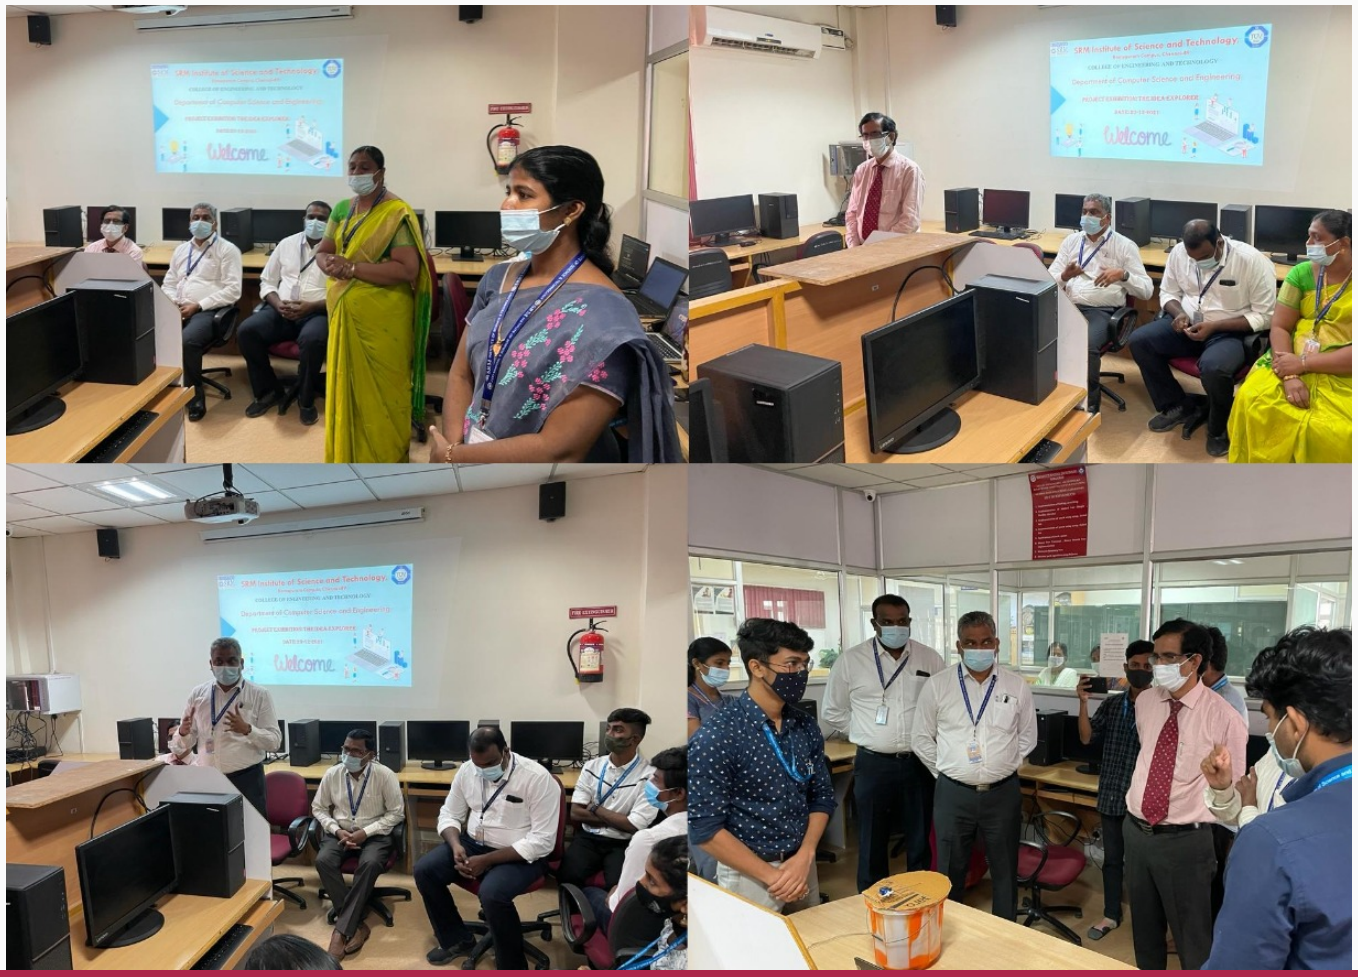
Co-ordinators
Dr.Umamageswari A
Dr.Shiny Duela J

Glimpses of the event

With the immense support of Dr. M.Murali Krishna (Dean E&T), Dr. Jagadeesan J (VP-Admin), Dr. G. Prabhakaran (VP - Academic) and Dr. K. Raja (HOD), Department of CSE organized Project Expo titled "The Idea Explorer" on 20th December, 2021. The event was conducted for the budding engineers of CSE department to show case their talents & skills under a single roof. The Department of Computer Science and Engineering in SRMIST has been organizing various technical events for the young champs to bring out the best in them.

This year 2021, we came up with a noticeable event Project Expo - "The Idea Explorer" to induce the talents of engineering students. The students from second year B.Tech-CSE and all specialization were participated in this project expo. A total of 27 batches has registered and after scrutiny, 12 projects were accepted and displayed for presentation.

The event began with the welcome address by Dr.A.Umamageswari, Associate Professor/ CSE followed by the presidential address by Dr. M.Murali Krishna (Dean E&T) that inspired the students as he focussed more on the placement highlights of the institution. Dr.K.Raja (HOD), Department of CSE motivated the students to invest their time on preparing for interviews for their better tomorrow.



An investment in knowledge pays the best interest

Glimpses of the event-Inauguration

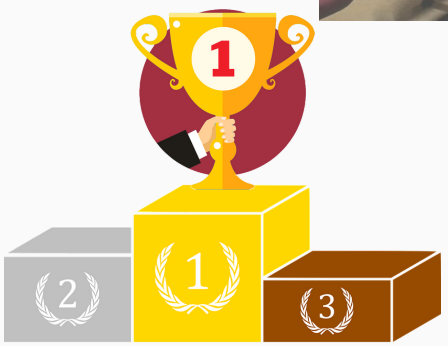
The students vibrantly displayed their projects that was visited by the Dean, VP Admin, VP Academics and HoD/CSE and they appreciated the students for the use of technology, collaboration, creativity.

The projects were evaluated by a panel of judges comprising of Dr.Rathna, Asst. Prof./IT, Dr.Veena, Assoc.Prof./CSE, Dr.Shanmuganathan, Asst. Prof./CSE, and Dr.Muneeshwari, Asst. Prof./CSE. The evaluation process was based on the novelty, poster design, presentation and demo.

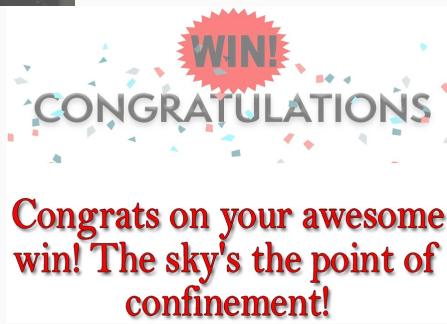
Creativity is inventing, Experimenting, Growing , Taking Risk, breaking rules, making mistakes and having fun.

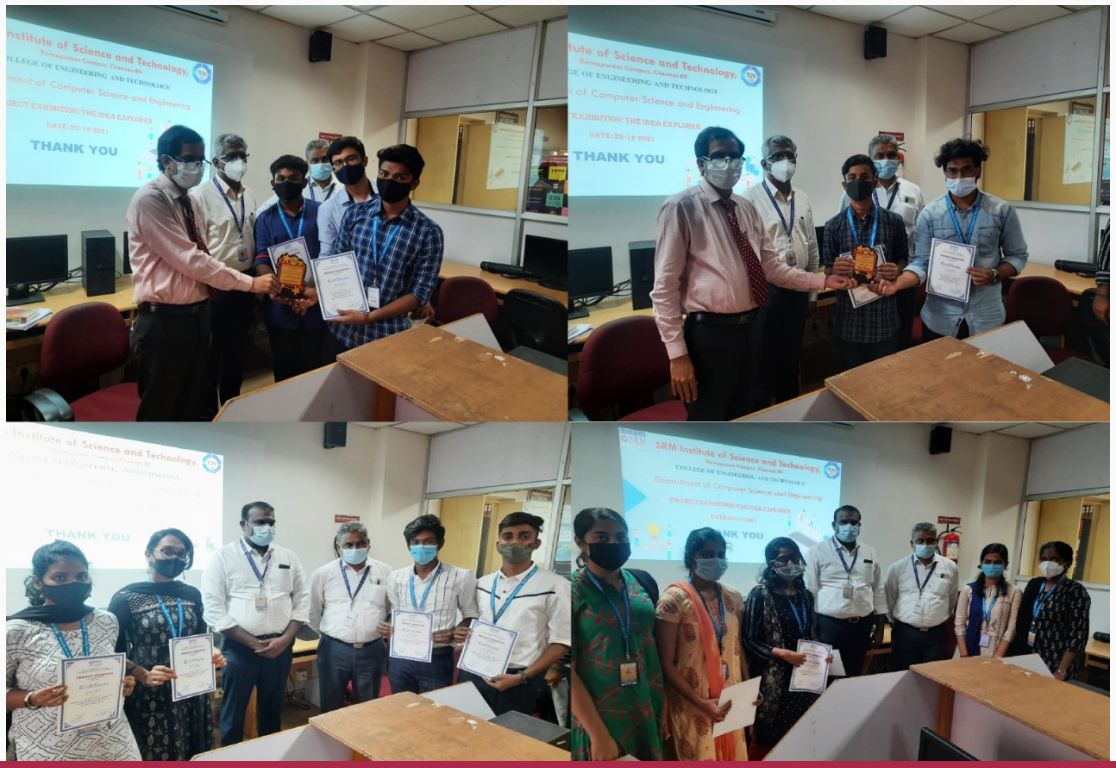
Glimpses of the event-Valedictory Programme

The valedictory programme bagan with a inspirational talk by Mr.Ritesh Singh of final year who got recently placed in Amazon with 42.5 LPA. He insisted his juniors to be consistent in what they do and ensure the completeness of any task they started.



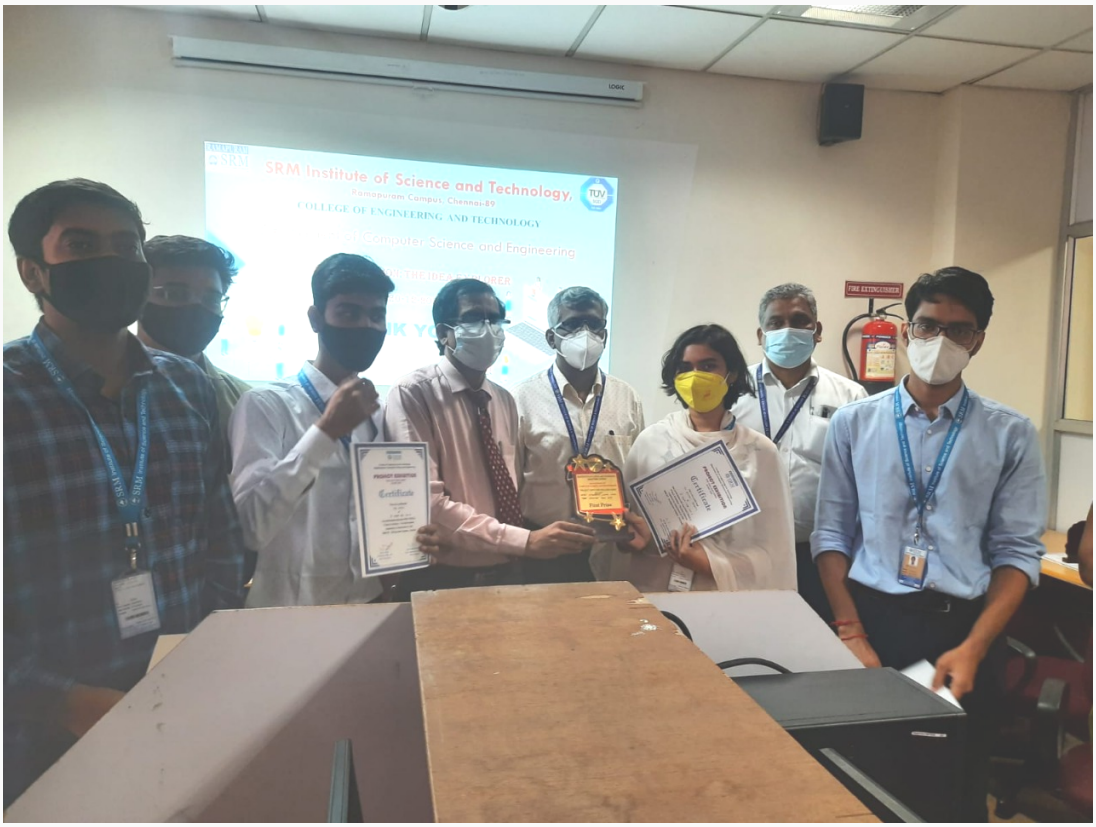
Prize Distribution





Winning doesn't always mean being first. Winning means you're doing better than you've ever done before

Glimpses of the event-Valedictory Programme



I PRIZE - Smart Attendance System Using Mask Detection and RFID

Mr.Ragavendra G
Mr.Harsh Tiwari
Ms.Sonali Biswal
Mr.Uday
Mr.Aseesh Aanand

II Prize - Code Bridge / Hacker Node

Mr.R.Sabarinathan
Mr.J.K.Ashwin Kumar
Mr.R.Ganesh Kumar

III Prize - Google Home

Mr.Surendar B
Mr.Karan G Pawar

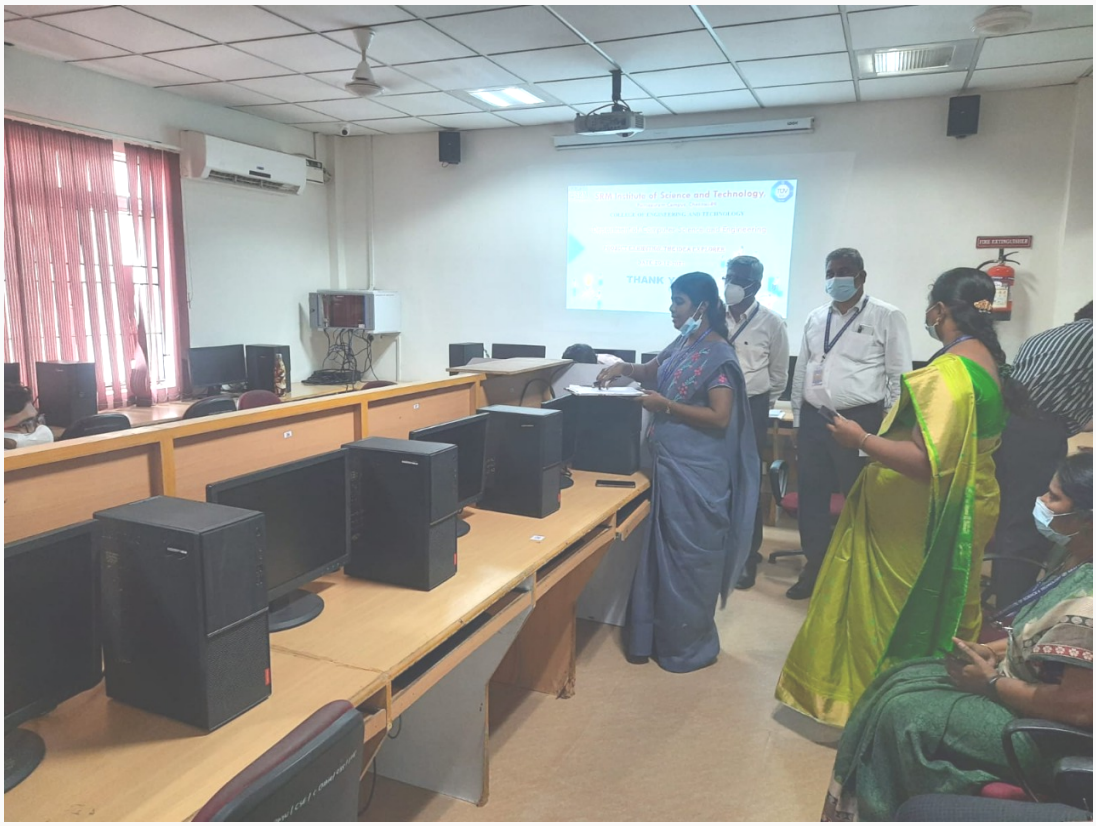
Your Talent determines what you can do. Your mtivation determines how much you are willing to do. Your attitude determines how well you do it.

Outcome of the event

- The students were able to show their project at higher level and the process boosted their confidence.
- The students were given an opportunity to nurture their innovative ideas and entrepreneurial acumen.
- The event helped students to seek feedback from the juries and peers for further development of the recognized projects

Vote of Thanks

The deepest craving of human nature is the need to be appreciated. The event was concluded with a note of thanks by Dr.Shiny Duela J, Assoc.Prof./CSE. The students had a time of technical fellowship and the department wished them many more laurels in the future.



No duty is more urgent than that of returning thanks
