

## DEPARTMENT OF INFORMATION TECHNOLOGY

### NATIONAL CONFERENCE-NCRIIT'19

The National Conference on Recent Trends in Information Technology(NCRIIT) was conducted by the Department of Information Technology of SRM Institute of Science and Technology, Ramapuram on 3rd April, 2019.

The Department of Information Technology was established in 2005 in Ramapuram. Pursuit of highly rewarding endeavors from students and unwavering support from faculty has helped the department become one of the best. The Department is endowed with state-of-the-art facilities to aid students in pursuing creative projects.

The aim of the conference was to provide students with the perfect platform to showcase their ideas. The conference brought together students and scholars from varied disciplines united by their curiosity about the latest innovations in Information Technology.

The conference has been consistently able to attract students and scholars from a diverse geographical background. It was no different this time around. Around 200 students from various universities across the country participated.

It was presided over by Mr. Deepanker Ghosh , who is widely regarded as one of the most successful entrepreneurs of his generation. He spoke at length about the various opportunities, technological advancements have been bringing into the industry. He stressed on the importance of understanding the revolutionary changes each industry is going through.He expressed his excitement at the potential of the ideas and projects that were displayed at the conference.

The conference proved to be a humungous success and also turned out to be an invaluable experience to one and all involved.
