History

The Institution of Engineers (India) [IEI] is a statutory body to promote and advance the engineering and technology, established in 1920 and incorporated by Royal Charter in 1935. It is the largest multi-disciplinary professional body of engineers encompassing 15 (fifteen) engineering disciplines with a membership of more than 820 thousand, and serving the nation for more than 9 decades. The IEI has its headquarters located in Kolkata with national presence through more than hundred Centres and several Overseas Chapters, Foras and Organ. The Institution of Engineers (India) is a first professional body to represent India in several International Bodies, such as the World Mining Congress (WMC), the World Federation of Engineering Organizations (WFEO), the Commonwealth Engineers' Council (CEC), the Federation International du Beton (fib), and the Federation of Engineering Institutions of South and Central Asia (FEISCA). It also has bilateral agreements with a number of professional societies across the globe.

We marked our entry in this prestigious association in 2015 with a total member of over 164 students. Dr.Ram priya(EEE), Dr.K.C.Udaiyakumar(MECH), Mrs.K. Tamizhelakkiya of ECE department were the initiators of our IE(I) chapter. We showed great interest in all the events conducted by IE(I).

Mrs. K.Tamizhelakkiya took over as the faculty incharge from June 2015 later it was taken by Mrs.G. Annapoorani from June 2017. We emerged as an active participant in all IE chapter Activities and Events. We proved our excellence in this association by succeeding in the events conducted by IE(I)
