

RAMAPURAM - SRMIST

# ALUM COLLOQUY 20'

*Annual Alumni Newsletter - June 2019 - May 2020*

## EDITORIAL MESSAGE

**Nobody is bothered about an institution more than its alumni.**

N. R. Narayana Murthy

*Any institutions' alumni are key to its growth. We are focused on giving a global experience to our students.*

The Editorial Board is delighted to present its unique creation in the form of Alumni Newsletter. There is now a sizable diaspora of SRM IST, Ramapuram graduates spread across the country, indeed the world, people who have, in one way or another made us proud of their accomplishments. This newsletter is designed to celebrate the success stories of our alumni and also to provide a snapshot of the campus events to keep our alumni connected. The newsletter will keep its alumni updated with activities of the Institute.

This inaugural issue provides brief insights on the important events held up to May, 2020 and upcoming campus events. We would be looking forward to hear your achievements so as to provide a whole lot of motivation for the current students. With all the hard work and valuable contributions put in by the faculty and the students, we hope that the newsletter will offer some interesting readings to its alumni.

## CHAIRMAN'S MESSAGE

Dear Alumni

It is my pleasure to welcome you to SRM IST Alumni Association. The association solely exists to help our alumni and the University to strengthen the network to achieve higher laurels.

Our Alumni Association can help in staying connected to the friends and to the vast resources available here, including the faculty who guided, to our libraries, seminars and symposia, web sites, social media, extraordinary variety of workshops, guest lectures and cultural programs. The resources are designed to support in pursuing the post-academic life and career. This is structured to help our alumni to be more successful as your success is our success.

I encourage you all to stay connected and make yourself and SRMIST stronger.

DR. R. Shivakumar M.D. Ph.D  
Chairman

*Your Alma  
matter is like a  
mother,  
patiently  
accept all your  
hooos but  
proudly boasts  
your  
achievements  
to the world...  
no wonder  
why our Alma  
matter is  
called a second  
home.*

-  
*Ansuman*

## CO-CHAIRMAN'S MESSAGE

**Dear Alumni**

**As Co-Chairman of the Alma Mater, I have always been extremely proud of our alumni achievements. SRMIST has developed by leaps and bounds since you graduated from here.**

**We are aware that the degree of competitiveness in professional education has changed in the last decade. It is the essence of the change and striving for quality that drives the institution towards the journey of excellence. I welcome all of you wholeheartedly to join hands in supporting our various endeavors by all means of interaction.**

**I am looking forward to see the active participation of each one of you, in the near future.**

**Mr.S Niranja  
Co-Chairman  
SRMIST, Ramapiram**

*Wherever you  
go and  
whatever ends  
you pursue,  
you must  
always fulfill  
the trust  
reposed in you  
by your  
nation, your  
parents and  
your alma  
mater*

-

*Samar  
Mubarakmand*

## DIRECTOR'S MESSAGE

Dear Alumni

**SRMIST is on the path of rapid growth which is necessary to sustain in the extremely competitive arena of higher education in India. We wish to take all the important stakeholders along with us on this exciting journey. Alumni are an integral part of our ecosystem and it is extremely important for us to stay in touch.**

**As the Director,**

**I am keen to build and strengthen SRMIST's relationship with its alumni. Our alumni continue to bring laurels to our institute. We also look forward to your feedback and suggestions for the betterment of the institution.**

**You are also invited to visit the alma mater along with your family or batch mates to cherish the nostalgic moments of your student life.**

**Dr.V.Subbiah Bharathi  
Director  
SRMIST, Ramapuram**

*We were able  
to provide  
housing to all  
who need it.  
We've had  
incredibly  
generous offers  
from alumni  
for housing.*

-

*Noel  
Gallagher*

## DEAN MESSAGE

Dear Alumni

At this outset, I am overwhelmed to share my happiness in conducting the Alumni Meet at SRMIST, Ramapuram.

True is the quote of Mr. John F. Kennedy who says "I think the success of any institute can be measured by the contribution the alumni make to our National Life", Our alumni are wide spread across the geographies. Your good work across the globe in various fields will bring laurels not only to you, but almost happiness to your alma matter. Good Luck and stay connected with us!

Its great opportunity for the younger generation to get industrial exposure from their own superheros.

Dr.M.Murali Krishna  
B.E, M.Tech., Ph.D., MISTE.,FIE.,C.Engg  
Dean-E& T

*We can  
do it if  
they  
[our alumni]  
help us.  
Once we  
get it going,  
then it can  
snowball.*

-

*Jim Mullally*

## DEAN - ALUMNI MESSAGE

Dear alumni

I hope that this note finds you healthy and safe during these very difficult pandemic times.

I am delighted to learn that SRMIST, Engineering & Technology, Ramapuram campus is organizing virtual Alumni Meet "Rendezvous 2021". Such meets help faculty to catch up with the alumni. It also helps the alumni to renew and strengthen their bond with the alma mater. It is the time to recap long lost friendships and bygone memories.

The institution has made rapid strides in accreditation, academics, research, placement and other activities. The alumni have contributed a lot towards each of these. I wish that you make frequent visits to the university to share your experiences with the students. Your avenue for contributions can be many - academic, placement, internship, general motivation etc.

We are also aware that many of you are giving tech talks and motivational lectures for the current students; also, that you are making notable contributions at your work place which we are proud of. Continue to do so and bring laurels to the institute. Kindly get in touch with us for any support that you need, we are always there for you.

Best wishes!

Dr. S. Usha Menon  
Dean-Alumni Affairs  
SRM Group of Institutions  
Ramapuram Campus

*Sometimes  
people  
graduate but  
they don't  
leave. They  
hang around  
for years, for  
no reason. I  
would think of  
ghosts like  
that, I decided.*

-  
*Maureen  
Johnson*

## ALUMNI MEET - CSE

*Department of Computer Science and Engineering has organized a Virtual Alumni Meet on 11.06.2020 (Thursday) from 6.00 p.m to 7.30 p.m in Zoom Platform during this Pandemic period.*

*The day was filled with twittering voices from alumni recalling the memories of good old memorable days. It was an accumulation of alumni from diverse background and it feels proud looking at your current position and working status.*

*I  
Think the  
success of any  
school can be  
measured by  
the  
contribution  
the alumni  
make to our  
National  
Life*

*-  
John  
F.Kennady*

## ALUMNI MEET - IT

*SRM INSTITUTE OF SCIENCE AND TECHNOLOGY, RAMAPURAM CAMPUS-CHENNAI, Department of Information Technology has organized a virtual alumni meet on 13th June 2020 ( Saturday ) from 12 noon to 2pm during this pandemic period in Zoom. The alumni meet is conducted every year to connect with alumni and celebrate their success and achievements. They will also get an opportunity to share stories and see the faces of their batch mates.*

*The planned objective was to interact with alumni, plan for future events, conduct Alumni Satisfaction Survey, take Alumni Feedback etc and the event was conducted successfully.*

*Every  
Traveler has a  
home of its  
own, and he  
learns to  
appreciate it  
the more from  
its wandering*

*Charles  
Dickens*

## ALUMNI MEET - EEE

*SRM INSTITUTE OF SCIENCE AND TECHNOLOGY, RAMAPURAM CAMPUS-CHENNAI, Department of electrical and electronics Engineering has organized a Virtual Alumni Meet on 19.06.2020 (Thursday) from 6.00 p.m to 7.30 p.m in Zoom Platform during this Pandemic period.*

*The day was filled with twittering voices from alumni recalling the memories of good old memorable days. It was an accumulation of alumni from diverse background and it feels proud looking at your current position and working status.*

*Commencement speeches were invented largely in the belief that OUTGOING college students should never be released into the world until they have been properly SEDATED*

*Garry Trudeau*

## ALUMNI MEET - ECE

*Department of Electronics and Communication Engineering has organized a Virtual Alumni Meet on 05.06.2020 (Thursday) from 2.00 p.m to 5.30 p.m in Zoom Platform during this Pandemic period.*

*The day was filled with twittering voices from alumni recalling the memories of good old memorable days. It was an accumulation of alumni from diverse background and it feels proud looking at your current position and working status.*

*We do not  
need magic to  
change the  
world, we  
carry all the  
power we need  
inside  
ourselves  
already: we  
have the  
power to  
imagine better*

# ALUMNI TESTIMONIALS

## RAJASREE K - ECE

I am glad to be part of SRM University and I am profoundly grateful to the ECE department faculties for giving me unconditional support and also for helping me to add value to my career by providing me the exact academic and corporate exposure. Intensive placement training given to us helped me to bag a job in TCS. SRM undoubtedly played a huge role in transforming me to a professional engineer.

## SIDDHARTH - ECE

SRM provides a platform for students to hone their academic as well as co-curricular skills. It succeeds in offering a beneficial learning experience with an experienced faculty team striving to maximize student's learning potential.

## SRILEKHA - ECE

"As an Electronics and Communication engineer, one of the most important experience at SRM would be the opportunity given by the institution to do my final year project at the National Small Industries Corporation (NSIC). This gave me a direct exposure to the industry and allowed me to apply concepts learnt in the classroom directly on an industrial project. The project aimed at powering mobile towers using a hybrid power generator (a combination of solar and wind energy) and was my first exposure to 'Sustainability' - the most popular trend towards which the world is heading towards. Thank you SRM for being a beacon of guidance and support ! "

## LAKSHMI - ECE

Joining SRM Ramapuram was one of the best decisions I've made in my life. It is rightly said that college years play a very important role in one's life. SRM Ramapuram has not only improved my knowledge academically but also helped me to grow as a person. The confident and self-sufficient person I am today, I owe it to all my teachers, friends and colleagues. I was always challenged with opportunities to take part in various symposiums and extra-curricular activities. The education and experience I received helped me obtain successful employment. I am very proud to be a part of such a distinguished institution.

## A. SOUMIYA-CSE

Where you study is as important as what you study and in that respect, I am truly happy that I got to do my B. tech at SRM University, Ramapuram.

Incredibly inspiring professors, state of art facilities, superb campus culture and amazing friends, my 4 years at SRM is a time I'll always cherish.

## SAYAN GOSWAMI - CSE

SRM University, Ramapuram was not just a place for me. I came here as a kid with two National Awards wanting to learn how to be successful. I left as a much more evolved person, with ambitions higher than anything else. It was all because of the constant support from various faculties and to the friends I hold close to my heart and always will.

It was not just college for me, It was a journey. And journeys are all about the memories you make.

My time at SRM Ramapuram is something I will cherish for a lifetime.

# ALUMNI TESTIMONIALS

## THILAK DESINGH SG- CSE

Time flies, but memories don't. SRM University, Ramapuram has a special place in my life's timeline for paving my career both professionally and business-wise. Placements is one of the best aspects about SRM, where students can get their dream job with right preparation. With a good job at my pocket, I was able to focus on my baby startups, Chennai Used Books and Manifest Services, which were well appreciated by SRM Alumni department. Thanks SRM, for the sweet memories, appreciations and support.

## L AISHWARYA - CSE

SSRM University, Ramapuram is a place that lets you create memories for life. From being able to interact with people from all around to finding your passion, this place offers it all. Equipped with a great set of faculties and students, it makes way for an abundance of opportunities. My personal experience with SRM Ramapuram is something I will treasure for life.

# ALUMNI TESTIMONIALS

## DHARITRI ROY - CIVIL

I am very glad to share a positive journey of CE at SRMIST. Here the atmosphere is full of motivation and innovation. All the faculties are enthusiastic and always ready to help. My knowledge and confidence has been boosted after coming here. As a result, now I can play a successful and effective role in pursuing my MBA. I strongly recommend who wants to have a fruitful experience.

## MOHAMMAD IRFAN - CIVIL

With immense happiness,I share my proud memories of SRM University where the Faculty and Faculty are world-class. Amidst eco friendly environment, highly equipped labs, health orientation food in the cafe, the faculty not only taught us the curriculum, but also the key Attitudes to survey in this competitive world. This makes me a successful Engineer

# ALUMNI TESTIMONIALS

It's been a wonderful journey at the department of civil engineering at SRMIST, Ramapuram. Our college has well-equipped labs, a digital library, healthy food, and many more. Our college also ensures that students are well-aware and equipped with the latest technology and skills. One such programme is a foreign language programme that enables students to learn German, French, Spanish, Japanese, and other foreign languages. This indeed helps the students to gain global exposures and also opens a lot of job opportunities abroad.

## MRIGANK RISHAV- EEE

## JAYANTH JAIRAM BOKDE-CIVIL

SRM Institute of Science and Technology, Ramapuram campus has been the most electrifying journey of my life. It has been an institute which has helped me nurture my skills as an engineer. SRM has given me the support and confidence to grow both personally and professionally. The professors of Electrical and Electronics Engineering have supported and motivated me throughout my engineering. Our college campus is situated in the heart of the city with greenery around and provides various types of facilities which includes well-equipped Laboratories, Hospital, Bank, Auditorium, Hostels, Library etc.

# ALUMNI TESTIMONIALS

## ROSHAN DHAS - EEE

The academic experience with a world class infrastructure and excellent faculty at SRM University RAMAPURAM has endured me with a lifelong career excellence. The exceptional programmes and teaching methodologies backed by practical skills and industry interface have given me the confidence to pursue my career ahead. The all-time support and motivation of the faculty members of SRM throughout the beautiful journey. The department of EEE helps me to mould into a professional person from school going student.

SRM University, Ramapuram gave me immense opportunities to grow as an individual as well as a professional. The staff of Electricals and Electronics Engineering Department were very helpful in developing new project ideas, clearing concepts and above all, constantly motivating us to shape ourselves as better Engineers. I got the opportunity to interact with students from all over India who came long way to get good quality education and future. The institution has each and every thing a student would desire for – spacious classrooms, enormous library, Labs, basketball courts, carefully designed curriculum, and friendly and knowledgeable professors. I thank SRM University for the person I am and for the recognition it has provided me.

## SREE VIDYA- EEE

# ALUMNI TESTIMONIALS

I was a student at SRM and was a student of mechanical engineering. SRM has students coming in from every part of the country and is truly a melting pot. The life skills and lessons I've learned from being in that environment is something that'll always keep me going. I am currently working on getting my commercial pilot's license in Florida, USA.

## PRASHANT J S- MECH

## YUVIKA - MECH

My time at SRM University truly changed who I am and who I still want to become professionally and personally. The culture at SRM University fostered the sharing of ideas, critical discussions, and collaboration among students and faculty across a wide range of interests. I think it's rare to find a large group of people with entirely different methodological and theoretical backgrounds enthusiastically discuss a common topic. What I loved about the faculty was that they always entertained new ideas no matter where they came from; even if, and especially when, they were challenging their own work. Not only did I learn from my faculty, I learned equally from my fellow peers who became my friends and family and with whom I still work with and learn from today

# ALUMNI TESTIMONIALS

SRM has always been a home away from home. The course curriculum offered is very beneficial. It's regularly updated to train the students based on industry requirements. SRM gives equal importance to extra curricular activities and encourages students. I feel, the department enhances the skills possessed by each individual and brings out the best in them. Being a girl, i was sceptical about opting for mechanical! But the guidance given by the department and the care they take for their students is just so overwhelming, especially there were many lab sessions which exposed us to different machines used in thid field.

## UTTARAA K - MECH

## SANDHYA P- MECH

Being an NRI, I was initially anxious to start my B. Tech journey in SRM, Chennai. But as soon as I joined, I was in a very stimulating and motivational environment. The staff in the Ramapuram campus were available for subject related discussions at all times and acted not only as lecturers but as our guides as well.

At the end, I was a confident individual who attended all my placement interviews and aced them
