

ABOUT THE DEPARTMENT

The Department of Civil Engineering was started in the Ramapuram Campus in 2009 to train students to attain success in learning and be dedicated to their individual development in attitude, skills, knowledge, and responsibility that is essential for successful achievement in college and society. The department offers B.Tech in Civil Engineering and M.Tech in Structural Engineering and Construction Engineering and Management. To fulfil our Mission, we are committed to a strong and comprehensive educational program and learning environment which enhances self esteem, provides role models, optimizes student potential, develops a lifelong love of learning, builds personal responsibility, and accentuates individual respect.

About Civil Engineering

Civil Engineering is a professional Engineering that deals with design, construction and maintenance of the physical and naturally build environment, including public works like roads, bridges, canals, dams etc. At SRM, we offer world class UG and PG Degree courses which are up to date with the Industry standard Syllabus.

Our Under graduate degree paves way to the students understand Civil Engineering concept from its roots clubbed with updates on the latest concepts. We offer two post graduate courses in Structural Engineering and Construction Management which are research oriented and offers wide career opportunities.

Laboratory Facilities

All the Laboratories are well equipped with all modern equipments to cater to the needs of the students as well as for Research and consultancy works.

MoU with University of Melbourne.

MoU with Chennai Civil
Engineering Association.

Consultancy Work

- Rs. 50,000 Consultancy work on “**Structural Analysis of Solar Panel Mounting Modules**” for **M/S Alectrona Energy (P) Ltd.**, Chennai, March 2021

- Rs. 20.4 Lakhs Consultancy work for “**Royal Government of Bhutan**”

- Rs. 3.45 Lakhs International Consultancy for one week training Engineers from **ROYAL GOVERNEMENT OF BHUTAN** on “**Construction Project Management**”, April 2017

- Rs. 13.5 Lakhs consultancy for **BHAVINI**, Department of Atomic Energy, for R&D on “**Behaviour of Polypropylene Fiber Reinforced Concrete**”, May 2014.

Events Organized

- Organised International and National conferences ACEIM 14, ACECIM 16, QACE 13, QACE 15 and QACE 17

- Department annually organizes student symposium "SRUJAN"

- Entrepreneurship Awareness Camp Under Dst-Nimat Project 2019-2020

- Civil Department also conducted around 150+ online webinars during 2019-2020

Achievements

- Students achieved **UltraTech Award -2020**, ICI Chennai Center and first prize winner of "**Outstanding Student Chapter Award - 2020**"

- ICI Chennai Center of "**Outstanding Student Chapter Award**" - 2019

- Final year students in teams of four received RS.50,000 and Rs.10,000 cash prizes for first and third best project awards
- Received ICI best student chapter award for three successive years 2014, 2015, 2016

Guest Lecturer

Department regularly organizes guest lecturers inviting eminent speakers from India and abroad. Mr. John Casas from Spain and Ms. Antonia Pacios from Spain and Mr. Hemantha Doloj, from Australia visited the campus and lectured on various occasions. Experts from Industry such as, CREDAI, Association for Consulting Civil Engineers, L & T, CSIR-SERC, Ultra Tech also share their industrial experience with students.

Entrepreneur

Many of our students have become entrepreneurs in the past years

Batch	No. of Entrepreneurs
2013	41 Nos
2014	33 Nos
2015	48 Nos
2016	23 Nos
2017	30 Nos
2018	45 Nos
2019	55 Nos
2020	47 Nos

Study Abroad Program

Our students have joined various universities in abroad for Master degree like:

- University of Sheffield, UK
- Nanyang Technological University, Singapore
- University of New South Wales, Sydney
- Hong Kong University of Science and Technology
- Monash University, Australia
- Arizona State University, USA
- The University of Auckland, New Zealand

Alumni testimonial

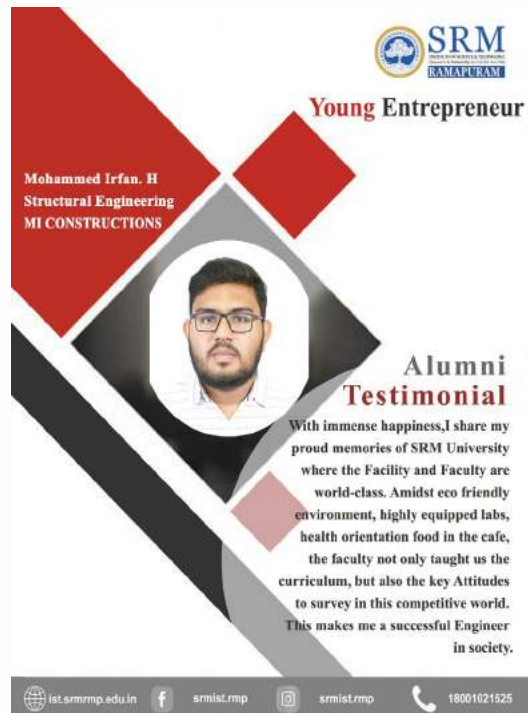

SRM
RAMAPURAM

Alumni Testimonial

I am very glad to share a positive journey of CE at SRMIST. Here the atmosphere is full of motivation and innovation. All the faculties are enthusiastic and always ready to help. My knowledge and confidence has been boosted after coming here. As a result, now I can play a successful and effective role in pursuing my MBA. I strongly recommend who wants to have a fruitful experience.

Alumni Testimonial

With immense happiness, I share my proud memories of SRM University where the Facility and Faculty are world-class. Amidst eco friendly environment, highly equipped labs, health orientation food in the canteen, the faculty not only taught us the curriculum, but also the key Attitudes to survive in this competitive world. This makes me a successful Engineer in society.

Testimonial

My four years at SRM University have been excellent and a memory to cherish for a lifetime. The years spent here have been full of learning opportunities that were full of fun and frolic and sometimes with academic grind that one has to go through. The international exposure makes you a better man to face the challenges of the corporate world.

"It's difficult to sum up the memories and experience of four years in few lines. All I would like to say is, Amazing Classes, great discussions and always a hands-on experience to take back from. Throughout the years in SRM, all I know that you ask for an opportunity and it's there! All you need is a right approach. Overall a complete life changing experience for me."
