Mr.K.Rajesh, M.Tech

Assistant Professor,

Department of CSE, CET, SRMIST,

Ramapuram Campus, Chennai.

Mail id: rajeshk2@srmist.edu.in

Mr. K. Rajesh is working as Assistant Professor in the Department of CSE at SRMIST, Ramapuram campus. He is pursuing Ph. D degree in the field of Deep learning from SRM Institute of Science and Technology. He has 14 years of teaching experience with good programming skills. He is certified in various courses from NITTTR and NPTEL. He is an active member in ISTE professional society.

Area of Research:

Deep learning and Big Data

Papers presented in Conferences:

- "Handling of medical data aiding and diagnosis using mobile application" in International Conference on Intellectual Research in Science, Engineering and Management organized by St. Joseph's College of Engineering and Technology held on 09th March 2020.

- "Proposed security model for session transfer and services using OTP" in the International conference on multidisciplinary research at K.S.K College of engineering and technology held on 5th March 2019.

- "Animal intrusion and Detection system" in National conference on advanced communication, computing and power systems" organized by St.Joseph's College of Engineering and Technology held on 23rd March 2018.

- Presented a paper titled "Survey on File recovery system for Hadoop using grid based query language" in two day International Conference (ICONNECT – 2K17), organized at K.Ramakrishnan college of Technology, Trichy on 28th and 29th March 2017.

- Presented a paper titled "Towards a better Comprehensive & Continuous evaluation (CCE) system for a technical institution", in 19th ISTE TN & P section annual convention for faculty members of engineering colleges at Dr.N.G.P. Institute of Technology Coimbatore during December 2 & 3, 2016.

- Presented a paper titled "Cluster based routing scheme for wireless mesh networks" in "First international conference on computational intelligence and its applications", organized by Vivekanandha institute of Engineering & Technology for women, Tiruchengode held on March 1-3, 2012.
- Presented a paper titled "Jamming attack and various defense policies in wireless sensor networks" in International conference on advances in engineering and technology held on May 27th & 28th 2011.

Professional Bodies:

1. The Indian Society for Technical Education (ISTE) (Member ID: LM 99491)
