

Dr. J. DAISY RANI, M.Sc. M.Phil., Ph.D.
Assistant Professor,
Department of Chemistry,
SRMISTRamapuram Campus, Chennai.
daisyraj@srmist.edu.in

Dr. J. Daisy Rani Working as an Assistant Professor in the Department of chemistry at SRMIST,Ramapuram. She Graduated in Chemistry at Stella Maris College (Autonomous), Chennai. She completed her post graduate degree at Loyola College (Autonomous), University of Madras, ChennaiIndia. She Pursued Ph.D. in the field of solid-state sensor studies. (Photocatalytic Studies of Metal Vanadate (M = Bi, Fe, Ce, Zn) Nano Composites by Microwave Combustion Method and Some Metal (2, 5, Dihydroxy Benzoquinone) Polymer for Chloride Ion Potentiometric Sensor)at PresidencyCollege (Autonomous), University of Madras, Chennai, India. She is in teaching profession for more than 13 years. Her areas of research are Solid State Sensor Studies, Nano materials preparation and Photocatalytic studies.
