

 Introducing the SRM IST Ramapuram's First Bio Club: Bio- Nauts 

 Inaugurated on 1st March 2023 by the visionary Dr. M. Murali Krishnan, Dean of SRM IST Ramapuram, our Bio Club has been at the forefront of fostering a passion for biology and technology.

 In its short yet vibrant journey, the club has orchestrated 2 successful online events, leveraged the power of virtual connectivity, and hosted 2 engaging offline events, bringing together like-minded individuals to explore the fascinating intersection of biology and technology.

 With a thriving community of over 75 dedicated members, we are committed to pushing the boundaries of scientific exploration, encouraging innovation, and nurturing the next generation of biotech enthusiasts.

 Join us in our mission to unravel the mysteries of life through technology, as we embark on a journey of discovery and innovation like never before!
